Dear Parents:

Our school has an opportunity to offer a special service to our students. West High School has a program called the A+ Program, a part of which provides trained high school student tutors to go to the middle schools to work with students after school.

We will have these high school tutors every Monday - Thursday from 3:15 to 4:15 Room 303. They will be working with our students in small groups. It is a privilege to work with these tutors, and continued tutoring help will depend on the effort and conduct of our students. Students may use the activity bus; however, they will need to sign up at their grade level office before 1:00 pm each day they stay for tutoring.

In order for your child to participate, we ask you to sign the permission form below and return it to Mr. Harris. We hope your child will be part in this opportunity and will see results of higher academic achievement this year.

Sincerely,

Dan McQuerrey  
Principal

My child, \_\_\_\_\_ has permission to stay after school to attend tutoring sessions with West High School students. All school rules will apply. I understand the session ends at 4:15 and my child will either sign up to ride the activity bus home, or I will arrange for transportation.
