Dear Parent,

We'd like to let you know about a Homework Help service that is being offered by National Junior Honor Society students this year. There will be afternoon sessions each Tuesday and Thursday available for several 8<sup>th</sup> grade members of NJHS to help fellow students who are having difficulty in one or more of their subjects. *This is not an actual tutoring service.* Although there will be a teacher present in the room, it is the students who will be helping other students. These homework help sessions will be held from 3:15-4:15 p.m. in RM 228 on Tuesdays and Thursdays, excluding early release days, beginning August 28, 2018.

If you are interested in having your child participate in these after school sessions as needed, please fill out the permission slip below and have your child return it to their grade level office. Your child will then be allowed to stay after school for help with homework on these days, **as needed**. If your child has no homework, he or she should not stay that day since there will not be any other activity provided. Your child can ride an Activity Bus home at 4:15 p.m., or you may make other arrangements.

If you have any questions, please feel free to contact the NJHS faculty sponsors, Mrs. Entwistle or Ms. Benton

Sincerely,

Mrs. Entwistle
