Students participating in the middle school intramural program will benefit from a well-organized and meaningful program. The success of the program is dependent upon cooperation by the participants. Students must comply with the following rules and should know that the activity sponsors, the intramural activity coordinator, and the principal will enforce these rules:

1. Appropriate conduct and a cooperative attitude are expected at all times. Activity sponsors will recommend to the Intramural Activities Coordinator the removal of any student from an intramural activity that fails to meet these expectations.
2. Attendance at regularly scheduled activity meetings is expected. Except in cases of absences from school or emergencies, students must notify the sponsor if they intend to be absent from the activity.
3. Students are expected to be on time, at the proper location, and have appropriate equipment and attire when participating in an activity. Activities begin at 3:15 p.m. and end at 4:10 p.m.
4. The school will not assume responsibility for students' personal possessions, which includes athletic gear brought to school.
5. All injuries should be reported to the Activity Sponsor immediately.
6. All participants may have certain responsibilities for officiating and score keeping as determined by the activity sponsor.
7. All school regulations in effect during the school day also will apply to intramural activities after school.

I have made arrangements for my student to be picked up by 4:15 p.m. (in the front bus loop) or ride the activity bus. There is no charge to ride the activity bus. All students riding the activity bus must sign up for it by 1:00 p.m. in their grade level office.

(Detach and return this portion to your grade level office **by the due date.**)
